☒ Examiner's Statement of Reasons for Allowance

EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance: After a careful review of the claims of the present application in view of U.S. Patent 5,778,256 to Darbee (the closest prior art of record), it is agreed that Darbee does not suggest or render obvious the apparatus set forth in the claims. For the reasons made clear on pages 7-11 of applicant's response dated November 19, 1999, the Examiner agrees that it would **not** have occurred to a person of ordinary skill in the art that the Darbee apparatus could be used for *interactive* control of the electronic devices and equipment listed in column 1 of the Patent. It would thus **not** have been obvious to modify the Darbee apparatus to be a "transmit and receive" arrangement, wherein both infrared transmitters and infrared receivers are electrically coupled to a microprocessor. After further searching, the Examiner has found no prior art document that discloses or suggests the PDA apparatus set forth in applicant's claims. Claims 1-20 are therefore allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning the merits of this communication should be directed to Examiner John D. Lee at telephone number (703) 308-4886. Any inquiry of a general or clerical nature (i.e. a request for a missing form or paper, etc.) should be directed to the Technology Center 2800 receptionist at telephone number (703) 308-0956 or to the technical support staff supervisor (Team 2) at telephone number (703) 308-3072.
